STANDARD OPERATING PROCEDURE
NUMBER 45-3144-6

19 March 1964

PROCEDURE FOR REQUESTING PF-1 FUEL/DEFUEL

1. PURPOSE: To establish a procedure for requesting PF-1 fuel/defuel.
2. SCOPE: This procedure applies to all area activities having a requirement for PF-1 fuel.
3. RESPONSIBILITY: It will be the responsibility of all PF-1 requestors to adhere to the procedure outlined herein.
4. PROCEDURES:
 - a. Persons requesting PF-1 fuel services will supply the POL Branch with the following information.
 - (1) Time requirement
 - (2) Aircraft number and location
 - (3) Requestor's name
 - (4) Approximate amount required.
 - b. During normal duty hours fuel requests will be made by telephone to the POL Branch at extension 3348. If contact cannot be made at this number, the requestor will call extension 3363 to make fuel request.
 - c. During weekends and other than duty hours, the requestor will phone the Security Section at extension 3232, if no answer is received at extensions 3348 or 3363. The Security Section will notify the appropriate standby personnel.

This Operating Procedure supersedes SOP 40-3144-2, dated 17 Sep 62.
